The airport in Stockholm is the Arlanda airport. From this airport to the hotel, the most suitable is to take a taxi (We recommend the company: Taxi Stockholm 150000) It will cost around 500-550 SEK. You can also take the Arlanda Express train to the central station cost 530 SEK for train return ticket, and then the tube, The ticket for the tube should be bought in the Central Station at the SL center.
